THE SCHOOL YEAR CLOSING

Students Busily Preparing for the Final Examinations.

The Commencement Exercises of Local Institutions to Be Unusually Etaborate-Plans for the High School Graduation Ceremonies,

The present is the busiest time of the year in local educational institutions. Preparations for the commencement exerclass are well under way, and from now until the date set for the conferring of diplomar examinations will occupy the greater part of undergraduates' completed.

the commencement exercises of the collegiate department of Georgetown University are to be held June 28, in Gaston Hail, which is now undergoing considerable alteration. About thirty members of the senior class will take the degree of A. B., eight that of A. M., and four that of Li. D. At the commencement exercises the only addresses so far arranged for are the bachelor oration by Edward J. Smith, of Nashville, Tenn., whose subject will be "The Debt of the Nation to Archibshop Carroll," and the valedictory, by Louis E. Lauve, whose subject will be "Moral Traming in Colleges." The address to undergraduates will be delivered by a prominent alumnus of the college. The commencement exercises will be delivered by a prominent alumnus of the college. The commencement exercises will be rendered of additional interest on account of the fact that three coveted medals which have been already comested for will be availed that day. They are the Morrick medal, given to the student making the best showing in public debate; the Horne medal, for the best metrical translation of certain selected older of Horne, and the Morris historical medal, this year awarded to the author of the best paper on "The Ries and Growth of the Nation."

The law department of Georgetown Interestry will hold its graduation exercises in the National Theatry on the seventing of May is, which about striv embryo attorneys will receive their parchaments. The proarmune for the medical school commencement has not yet been announced. For the first time in eight years of the stream of the seventing of the stream of the first time in eight years of the stream of legiate department of Georgetown Uni-versity are to be held June 20, in Gaston

The programme for the medical school commencement has not yet been anunced. For the first time in eight years the senior class of the preparatory partment will have commencement exer-cises and they will be held in the large dining-room at the college.

The graduation exercises of Columbian University will be held on May 3, 3, and 2) at the National Theatrs. In all the departments there will be about 200 graduates and the ceremonies will be elab

The departure of Cardinal Gibbons for Rome on Thursday will cause his first absence in many years from the annual

Rome on Thursday will cause his first absence in many years from the annual commencement of the Catholic University of America, of which he is the chancellor. The gradualing classes will receive their diplomas on the morning of June & Under the faculties of theology, philosophy, law, and the school of technology there will be between forty and firty graduates. The exercises will be simple and brief and are held in the morning, so that the stadents can leave the city the same day. In the absence of the Cardinal, the rector of the university, Monsigner Conaty, will probably preside.

Probably he graduates of any institution of learning in the city are the recipients of more hearty congratulations when they receive their diplomas than the students of the various Washington high schools. The commencement exercises are siways of an elaborate nature, the classes large, and the school spirit intense. Convention Hall will be the scene, on the evening of June 19, of the graduation of the combined senior classes of Central, Eastern, and Western high schools. The total number of graduation will preside and will deliver an address. Members of the Board of Education and other school officers will be the guests of honor. The arrangements for the graduation exercises of all the high and normal schools are under the direction of Dr. F. R. Lane and the principals of the various high schools.

Stice Hagner yesterday granted Saral Jane Blunden a divorce from her husband John C. Blunden, on statutory grounds.

In the same court the petition of Salile R. Reever for divorce from her husband, Edgar Reeves, on the ground of ero elty, was dismissed. Since the institution of the proceedings the parties became reconciled but again disagreed, and Mrs. Reeves prosecuted her petition. The court held that the reconciliation or the parties having been proven and acts of crueity having been proven afterward, it was a bar to the claim of former alleged crueity. Edward G. Niles appeared as counsel for the defendant.

THREE YEARS FOR LARCENY. George R. Davis to Appeal From the Trial Court's Sentence.

George R. Davis, recently convicted of arceny in Criminal Court No. 1. was yesterday sentenced by Justice Barnard to imprisonment for a period of three years in the penitentiary at Mounds-ville, W. Va. Through his attorney, Fred Beall, the prisoner filed an appeal to the Court of Appeals for the District from the judgment of the trial court.

Davis was formerly employed by the Southern Express Company as a railway messenger, and his run was between this city and Mobile, Ala. Some time prior to July, 1898 several money packages enportation were lost, and suspicion pointed to Davis as the person responsible for time and attention. In scarcely any of the colleges and schools have the full details of the graduation exercises been the trule was an express company, while completed.

The commencement exercises of the colon that trip, and when he arrived in this city, he was summoned to the office of

STRIKES THE SOURCE.

A Pile Cure That Goes to the Root of the Disease.

There are lots of lotions, dis, and salves that will, through their soothing influence, relieve temporarily the pain incident to piles. But is that all the sufferer requires? Isn't it a horrible thought to realize that the case is only temporary and the disease goes on under the surface without a moment's interruption? Wouldn't it be wiser to select a remedy that seeks the source and regulates those deep-scated disorders which induce the disease? Pyramid Pile Cure not only relieves the pain at once, but-effects a permanent cure of the worst form of piles. You don't have to go through a tedious course of dieting while using it, either. It strikes through those delicate membranes and tissues and sets the blood in healthful circulation, reducing at once the painful Inflammation and congested tumors.

painful Inflammation and congested tumors.

This remedy is not a haphazard combination of drugs, but is a remedy invented
by specialists who have treated piles and
blood discreters successfully for years.
Manufactured by the Pyramid Drug Company, at Marshall, Mich. Almost any
first-class druggist has it on sale.

Don't treat this disease with every lotion and salve that comes along. Remember the parts affected are among the
most delicate in the human body. This
remedy is absolutely safe and no one need
fear to apply it freely on the most inflamed parts. The speed with which it
allays the pain is an agreeable surprise
to the sufferer.

Grove, H. Sparks, and W. Crump, The captain of the R. and G. Stars request; that all challenges be 8654 to G. W. Younger, 440 New Jersey Ayemie north-

CRICKET COACH.

Englishman Comments on Ameri.

Englishman Comments on American Food,

The English rough of the Germantown, Pa., Cricket Cigh had an experience with food worth knowing.

He says: "When I came to this country I was engaged as Professional Couch. I had suffered a long time from constipation and pains in the lower part of the back, and after bowling and coaching far about an hour, the pains would be so revere they would nearly draw me to the ground.

ground.
"I tried many remedies without success. Finally I went on Grupe-Nuts Food using it for breakfast in place of catment. Within three days I began to feel better. I have kept it up regularly and now feel like a new han.
"I can go on and how! for hours without a pain. Bowels are as regular as a clock and my head is efeat and stendy." I advise its ess with all our players." I. Caesat, Pro. Conch.
No food on earth will put a man in fit condition as surefy and quickly as Grape-Nuts. There's a remon. Two-base hits Dungan, Quinn, Farrell, condition as surely and Collins, Freeman, Clarke, Grady. Three-Nuts. There's a reason

Washington Doctors Visit New York to secure THE GREAT KOCH Consumption TREATMENT

FOR WASHINGTON.

A few of the leading medical men of Washington, under the direction of several well-known business men, have just returned from a trip of investigation, having gone to New York and Philadelphia to investigate the CON-SUMPTION and ASTHMA cures of the Koch Lung Cure at those cities,

After calling upon many of the patients who have been cured of consur tion and asthms, they have been thoroughly convinced of the efficacy and great value of this wonderful Koch Inhalation Treatment, whereby putients breathe the healing oil vapors into the ungs, instead of putting medicines into the stomach.

For 100 years Washington Doctors have tried in vain to cure these two diseases, but they frankly admit that with stomach medicines they are incurable, and have combined forces to secure this wonderful treatment for Washing-

The committee of investigation was composed of two expert medical men and four thoroughly well-known business men, as follows: Dr. F. V. Brooks, Dr. Bernard Bunnemeyer, Mr. W. J. Lambert, Mr. A. F. Jorss, Mr. Fred C. Geiseking, and Mr. William A. Gelse-, king. They called upon not only the patients who had been cured of consumption and asthma, but also upon the physicians who had formerly treated them and diagnosed their cases as

onsumption and asthma. After the cures were effected the physicians examined the patients' lungs and pronounced them as cured by this wonderful vaporized medication. It is a new process of the old Koch treatment by inhalation, the only cure that has stood the test and actually cures onsumption.

The services of Dr. Edward Koch, who is the inventor of the Koch Inhalation, have been secured for one week for the benefit of the consumptives of Washington and for the good of the hundreds of cases who have already signed to begin this treatment immediately on his arrival.

It is pleasant to learn that the medical profession of Washington have stepped into the front rank of medical advancement, as it is a well-known fact that more patients die in this city from consumption than any other of its size. Nearly a hundred during the past month from this terrible disease, showing the great danger from consumption in this climate for patients with weak

lungs. This wonderful remedy, which is im-
